Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants representative discussed key issues also addressed in Applicants Arguments submitted 1/2/08. The feature that the invention is solely implemented in a CDMA system, and the primary references use FDMA systems was discussed. Also, the combination of a CDMA system reference with FDMA references was discussed, as well as the inventions feature of controlling the transmit power of the micro base station. Examiner noted these arguments and will respond to them in light of the arguments submitted on 1/2/08.
